Disciplinary Information

Form ADV Part 2B, Item 3

Santander Securities LLC (hereinafter "SLLC") is required to disclose all material facts regarding any legal or disciplinary events that would be material to a client's or prospective client's evaluation of the Investment Adviser Representative's integrity. Such events include, but are not limited to, criminal or civil actions; administrative proceedings before the U.S. Securities and Exchange Commission; any other federal or state regulatory authority, foreign financial regulatory authority; self-regulatory organization proceedings; or any other hearing or formal adjudication.

We encourage you to independently view the background of each of these individuals on the Investment Adviser Public Disclosure website at <https://www.adviserinfo.sec.gov/> or FINRA's BrokerCheck website at a <https://brokercheck.finra.org/> by searching their full name or their individual CRD number.

Other Business Activities

Form ADV Part 2B, Item 4

Investment related business:

Investment Adviser Representatives ("IARs") are dually registered with SLLC, a FINRA member broker-dealer. IARs receive commissions, bonuses, and other compensation based on the sale of securities or other investment products sold through the broker-dealer, including distribution or service ("trail") fees from the sale of mutual funds and annuities. IARs may also offer insurance through SLLC or its affiliates, and receive compensation on the sale of insurance products.

The receipt of additional compensation, such as brokerage commissions, creates a conflict of interest as it may provide an incentive to recommend investment products based on the compensation received, rather than on the client's needs. Clients have the option of purchasing investment products that SLLC recommends through other brokers or agents that are not affiliated with SLLC, if those purchases are done outside the advisory relationship with SLLC. Advisory fees paid by clients to SLLC are not reduced to offset any brokerage commissions received.

SLLC has a Code of Ethics intended to govern the conduct of its IARs and has adopted policies and procedures to address conflicts of interest.

Additional Compensation

Form ADV Part 2B, Item 5

In addition to advisory fees, your advisor may earn sales incentives or awards based on the value of assets under management, investment products sold, number of sales, client referrals, amount of new deposits or amount of new accounts and/or the number of financial plans prepared and delivered over a defined period of time. This additional compensation may include the same items (economic benefits) as listed in the Other Business Activities section above as indirect compensation. Your advisor may also receive forgivable loans from SLLC, which are conditioned on your advisor retaining SLLC's broker-dealer and/or registered investment advisor services. This additional economic benefit creates a conflict of interest for your advisor to retain affiliation with SLLC in order to avoid re-payment on a loan. SLLC maintains a Code of Ethics requiring your advisor to always act in your best interest and maintains a supervisory structure to monitor the advisory activities of your advisor in order to reduce potential conflicts of interest.

Supervision

Form ADV Part 2B, Item 6

Director, Head of Supervision and Trading, Jamie DeGiso, is primarily responsible for the implementation of SLLC's policies and procedures and overseeing the activities of the firm's Investment Adviser Representatives. This includes, but is not limited to transaction and investment suitability, account opening and correspondence review.
